Meeting Notes - Oct. 2/2019 submitted by Randall Taylor, photos by Donna Allen

President Doug opened the meeting with club members singing 'O Canada', followed by an invocation. Sergeant at Arms Sher then provided an order of tables and breakfast began.

Denise Fraser provided a Rotary Moment which encouraged us to "breathe". Denise encourages us to think about the many "hats" we wear as we go through our days; as sibling, friend, spouse, at work. The demands grow and the one thing we can control is our breathing. Denise challenged us to make time each day for 3 one-minute breaks to breathe. Don't think of anything but our breathing and wearing the hat of "self".

Announcements:

San let us know that the Walk for Nepal raised \$2,590. There is still a possibility that this amount will grow to the goal of \$3,000.00.

Oktoberfest; Chair Sheila reminded all members to bring one bottle of wine for the Wine-tree draw.

Also, let Sheila know if you have your "Serve It Right" certification, to help with the bar and food.

Tickets for Oktoberfest will be available at the meeting on Wednesday, October 9th.

Graham announced that the Clipper 50/50 fundraiser provided \$1,875 to Loaves and Fishes, from the past six games. The next recipient of 50/50 funds will be the Nanaimo and District Hospital Foundation.

Rod Mont announced that each exchange student is intending to attend one club meeting per month. Students do need rides to our meetings and then to their school. Students will attend our club meetings on the second Wednesday of each month. Please let Rod know if you can assist.

Our program this week was a classification talk by Brandon Kolybaba.

Brandon grew up in Tsawwassen, completed high school there and was an air cadet. The summers of his youth were spent near Regina, Sask at his grandfather's farm. During his early work life Brandon drove a delivery truck throughout Vancouver, then had odd jobs putting pepperoni on pizzas (a full explanation was lacking for this position).

He back-packed through Europe then lived on a kibbutz for six months. This encouraged a return to Vancouver to work as a scuba diving instructor.

University education was focused on business and Information Technology. This open doors in Calgary to work for Shell. I Calgary Brandon met his wife and started a family. Brandon was moonlighting in I.T. development while working with Shell then started a full-time I.T. development business. Brandon's company became one of the first Google App deployment companies in Canada. Brandon moved to Nanaimo four years ago. He sold the I.T. development company and considered land development, starting with the Black Bear Pub lands.

His involvement with Rotary is an extension of the focus St Francis Xavier University's leadership in community service. Brandon is looking to be more involved in Rotary.

Draws:

This week's winner of the 50/50 was Terry Rogers.

Foundation draw was won by Ev Boegh.

Sergeant at Arms collected fines and Happy Bucks. We then recited the Four Way Test.

The final words, "Just Breathe"
