The goal is to engage various stakeholders and the public through various mediums, such as surveys, and gather information and opinions in the following areas; Parks Rec & Cultural Plan, Active Sustainable Transportation Plan, Economic Development, Water Supply Strategy and Climate Action Plan.

There are 4 official phases of the initiative are:
 Gathering Ideas (Issues & Opportunities) - May 2020 - Nov 2020
 Exploring Options (Options & Strategic Direction) - Dec 20 - Mar 21
 Developing Plans (Initial Plans & Strategies) - Apr 21- Jul 21
 Reviewing (Final Plans & Strategies) - Fall 2021

Feedback is always open to the public and welcomed. For more information that is detailed, you can visit the following two sites, which further share the work of the initiative
