New Years 50-50 Raffle...

Hello from the Hybrid Meeting Committee (aka Patrick and Bonnie),

It is now time for the Hybrid Meeting Committee to confirm who would like to join them and also put out the request for more members to be a part of this committee. There was a commitment from the board and membership to expand our reach to include hybrid style meetings. This was to bring in more international speakers, provide more flexible options for local speakers and members, and include the snowbirds and vacationers. (Just last week Rob Mowbray bumped into a former Rotarian and they both joined our meeting from Mexico.) So far Daybreak Rotary Club has been able to offer all of these.

Patrick and Bonnie have worked diligently to find the right equipment, learn how to connect it all, and also how to run the meetings using Zoom. They now have step by step instructions, an equipment inventory, and a plan to support others. Now, they just need you. If you have any questions on maybe what you need to know, how much time does it require before and after meetings, what are the different roles...Patrick and Bonnie are here to answer those questions and waylay your fears or hesitation to get involved.

Please consider how much or how little you could do to support the Hybrid Meeting Committee and know they are here to help.

Kindest Regards,
Hybrid Meeting Committee (aka Patrick and Bonnie) :)

Our newest member Zel Hopson won! I think that should be club policy from now on, just have to convince Gaming...hmm.
