Meeting Notes – October 22, 2025, by Hayley Poirier, Photos by Abbie Vomacka

President Sheila started the meeting at 7am and then we had Rod M. lead us in O Canada. Hayley P. shared an Inspiration about small acts of kindness daily; every Rotarian can make the difference. We then had introductions. There were no visiting Rotarians, but Jodi R. introduced Kelly Raine. She is visiting our club for the first time - welcome! SAA - Duane S. assigned tables for breakfast and while we were enjoying the food, we got to watch a short video

Denise L. introduced our guest speaker Lindsay Jones, who presented from BC Grasslands Conservation (GCC). He is a retired biologist, with a 35-year career in many fields related to his passion. He now volunteers with GCC and shared an interesting story about Grasslands in BC. With less than 1% of our province in grasslands, it is typically overlooked, BUT it is so important. 30% of our at-risk species are found in our grasslands. There is a threat of continued loss of our grasslands and so one of this organization's mandates is to promote the importance of the lands. Also, ranchers play a large role in being stewards of the lands. Partnerships are one of the ways that GCC maintains their presence. They have a good social media platform and create knowledge-based content for the public to enjoy. Lindsay encouraged everyone to follow. We learned about different types of grasses including sage and antelope brush. Vancouver Island also has a good representation of grasslands. This presentation was quite interesting and helped us all understand the importance of awareness and support.

A reminder email has gone out. 808 Wing has a Halloween event this Friday Oct 24 3:30 -7:30 pm and we were invited to go and enjoy.

Mike G. updated us on the Christmas Hamperville dinner. This event has been labeled as the event of the year. Get your tickets, available on-line at www.daybreakrotary.ca. This will sell out. The committee also is looking for donations and wine for their fundraising.

Jill M. is our service committee chair. She shared with us that Jodi R., Denise L., and her helped the Island Crisis Care Society by making sandwiches. This organization really needs our help. Ask Jill for details.

about Rotary's involvement with polio. Oct 24/25 is World Polio Day. Awareness is the goal.

Ken H. made a presentation to Past President Daryl on Daybreak Rotary's successful Foundation goals last year.

~~~~~ Four Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Rotary minute was shared by Denise L. We heard a quote from Winston Churchill.

Duane S. asked for help to build shelving for the storage container. Text Duane if you can help.

We wound up our meeting with happy bucks and the 4-way test.
